Welcome Back Membership Package

Welcome to Spring and another great Tennis season!

Your Guildwood membership committee would like to welcome back all returning members. We plan to have the nets up in early April (weather permitting) and have begun organizing for another successful season.

Programs, whether adult, junior, or seniors, are only successful if members participate. Your executive hopes that there will be something there for every member, and for every level of play. We encourage our “regulars” to make new players and members feel welcome. The ability of the club to survive depends on membership.

New adult members who are also beginners, get a series of free lessons in June. And if you were a new member last year, and would like to repeat the lessons, or did not get a chance to take them, you are welcome to take them – free of charge.
